

DSAR 1st Annual Scarecrow Building Contest

We are thrilled to announce our first annual DSAR “We are all built different” scarecrow building fundraiser. This is a family-friendly event where you can showcase your creativity by building your own scarecrow. The contest will include voting on your favorite scarecrow entry, and the top three scarecrows with the most votes will win amazing prizes! This is a great opportunity to spend quality time with your family, friends, and even your colleagues while supporting a good cause. Your scarecrow should be appropriate for public audiences, so let your imagination run wild and create something unique and eye-catching. Whether it's a traditional scarecrow, a superhero, or a funny character, we can't wait to see what you come up with! By participating in this event, you'll not only have fun but also contribute to a great cause. All proceeds from the fundraiser will go towards supporting individuals with Down syndrome and their families. So, what are you waiting for? Sign up now and be a part of this exciting event! We can't wait to see you there!

The entry fee is \$12 per scarecrow. Pictures for each scarecrow entry should be submitted to jprice@dsar.org by September 17th

Scarecrows will be displayed at the annual Fall Festival and Buddy Walk. Scarecrows should be self-standing/sitting etc. They will not be driven/staked into the ground
